You can subscribe to receive certain product- and service-specific information and Driven Automotive Repair Centre Ltd. -wide marketing communications. Driven Automotive Repair Centre Ltd. -wide communications may include new product information, special offers, or an invitation to participate in market research. We give you a choice regarding delivery of Driven Automotive Repair Centre Ltd. -wide communications by postal mail, e-mail and telephone. You can make or change your choices at the data collection point. We will make every effort to honour your preferences. This option does not apply to communications for the purpose of administering order completion, contracts, support, product safety warnings or driver updates.

Your information and third-party companies

Certain Driven Automotive Repair Centre Ltd. services are linked with those from unrelated third-party companies, some which offer you the option to share with both Driven Automotive Repair Centre Ltd. and the third party personal data you provide. We will not share your personal information with those third-party companies unless you make that choice.

Access to and accuracy of your information

Driven Automotive Repair Centre Ltd. strives to keep your personal information accurate. We have implemented technology, management processes and policies to maintain customer data accuracy. We will provide you with access to your information, including making reasonable effort to provide you with online access and the opportunity to change your information. To protect your privacy and security, we will also take reasonable steps to verify your identity, such as a password and user ID, before granting access to your data. Certain areas of Driven Automotive Repair Centre Ltd. websites may limit access to specific individuals through the use of passwords and other personal identifiers.

Keeping your information secure

Driven Automotive Repair Centre Ltd. is committed to protecting the information you provide us. To prevent unauthorized access or disclosure, to maintain data accuracy, and to ensure the appropriate use

of the information, Driven Automotive Repair Centre Ltd. has in place appropriate physical and managerial procedures to safeguard the information we collect.

We use Secure Sockets Layer (SSL) encryption when collecting or transferring sensitive data such as credit card information. SSL encryption is designed to make the information unreadable by anyone but us. This security measure is working when you see either the symbol of an unbroken key or closed lock (depending on your browser) on the bottom of your browser window.

Credit card numbers are used only for processing payment and are not used for other purposes. As part of real-time payment processing, Driven Automotive Repair Centre Ltd. subscribes to a fraud management service. This service gives you and Driven Automotive Repair Centre Ltd. an extra level of security to guard against credit card fraud to protect your financial data.
